

## Application of using laser effect On Stage

### Part I: To Manager

Venue: \_\_\_\_\_

I hereby represent \_\_\_\_\_ (company), and wish to advise you of our intention to use laser effect on stage as part of our performance(s) in the above named venue. According to Hong Kong Ordinance Cap172A 《Places of Public Entertainment Regulations》, each display laser product should be so designed, constructed and maintained as to be safe when properly used and acquired the license from EMSD department. In this context due regard should be paid to IEC 60825-1:2001 relating to requirements for radiation safety of laser products and equipment classification. Sufficient information and warning signs should be placed on the instruction manual or the laser product or its package.

I understand that to display of above effect on stage requires a risk assignment form and approved by the venue manager before presenting the laser effect on the stage.

We will monitor the action closely, and ensure it remains faithful to the intent stated below. We will undertake all responsibility of any damage of human body from such action.
